

## RG 9 Environmental Services department fonds

### Scope and Content

Fonds consists of the administrative and operational records created, accumulated, and used by the Environmental Services department at the City of Red Deer between 1963 and 2005.

The types of records included are flow regulation report for the Red Deer river, a photograph library (including miscellaneous Public Works and Environmental Services staff photos, yard waste and blue box program and fleet vehicles), customer satisfaction surveys, Environmental Advisory Board minutes, Waste Water Treatment Plant Annual reports, A Day in the Life at Public Works Video Cassette (VHS), and a Sewer Rate study.

No series assignment has been applied to the records in this fonds.

### Date of Records

1963-2005

### Physical Description

20.0 cm textual records

251 photographs : prints, negatives

1 videocassette : VHS

1 optical disc (CD-ROM) : Word, pdf

### Material Types (GMD)

Textual record and other material

Multiple media

Textual record

Graphic material

Moving image

### Restrictions on Access

No restrictions noted.

### Terms Governing Use, Reproduction, and Publication

No restrictions noted.

### Creator Information

**Authority Name** City of Red Deer Environmental Services department

**Authority History** The Environmental Services department was created in 2006. Its mandate is to provide leadership in environmental protection and sustainable service for Red Deerians and our Regional Partners in the areas of water treatment and distribution, collection and treatment of wastewater, collection and disposal of solid waste, collection of storm water runoff, and environmental initiatives.

The department is responsible for the Waste Management Facility, the Wastewater Treatment Plant, the Water Treatment Plant, garbage and recycling collection, the regional water distribution network, the regional wastewater collection system, the stormwater collection network, construction and maintenance relating to waste and water, the Environmental Master Plan, and other environmental initiatives and programs

### Notes

**Finding Aids**

File list available.

**Related Materials**

Wastewater Treatment Plant section fonds

Water Treatment Plant section fonds

Public Works department fonds

**Physical Condition**

Good

**Arrangement**

Original order maintained

**Custodial History**

Records were transferred in 2 accessions between 2011 and 2016 per the City's records scheduling, retention and disposition schedule. Records were created as per daily business and operation function of the City of Red Deer's Environmental Services department.

Some records pre-date the department and were created by predecessor departments and transferred to Environmental Services for their use prior to disposition.

**Accruals**

Further accruals are expected

**Accession Numbers**

2011-032

2016-749
