

The Banff Centre 2011

Theatre Production, Design, and Stage Management Work Study Programs

Dates vary between April 2011 and September 2012
Application deadline: December 17, 2010

The Theatre Arts Production department at The Banff Centre offers unique work study programs and provides an exceptional learning environment for aspiring theatre production practitioners in the following areas:

Production Management, Stage Management, Dance Company Management, Technical Direction, Lighting, Sound, Stage Carpentry, Scenic Carpentry, Props, Scenic Paint, Hair, Wigs and Make-Up, Wardrobe, Millinery, Costume Dyeing, and Lighting and Projection Design.

Participants gain practical, hands-on experience by working with industry professionals and experienced directors and designers throughout the production processes of opera, dance, and theatre.
