MG 32, I, 2-17

[The Deanery, Lincoln]

September 25. [1911]

Dear Mr. Eversole.

Thanks you for your letter: *and* all of its news. I am quite ready to follow *your* plan. The advantage of *yours* is that it takes in all at the moment in bank. The advantage of mine is that its No.1 balance *would* be available to me to use, but *your* plan will I think admit of that.

You can take *your* 20% now as at July 1911 off the 1050 – I do not want you to wait till 1912 for 1st instalment [p. 2] to begin, now that the farm is beginning to pay. I hope you will take this arrangement.

This is a *very* short note – I am being overworked! *and* hardly get a minute.

I am sorry Laurier is defeated. I believe the Farmer in Canada is keeping the Eastern Manufacturer. [p. 3] With our best wishes

Yours sincerely

T. C. Fry.
